

DOCTORAL DISSERTATION AWARD

The award recognizes outstanding work in the information field. Nominations are solicited from all members of the iSchools organization and judged by a selection committee drawn from leading international schools.

CALL FOR NOMINATIONS

The winner receives a prize of \$2,500 USD, the runner up \$1,000 USD. Current and past honorees can be viewed [here](#).

ELIGIBILITY

Each member iSchool can nominate applicants for the award. The applicants should have successfully completed their Ph.D. according to the rules of the university between October 01, 2023 to September 30, 2024. The research can be on any topic in the information field, and use any methodology.
